EDITOR'S LETTER

Yes, yes, some of those election puns on the cover were a bit lame, but at least we avoided anything about General Erections, and, hey cut us some slack! – we only had an election two years ago. So Britain might be turning into Italy with its frequent parliamentary rejigs, but we'll always maintain some truly British institutions... like *Mayfair*! Governments might come and go, but stunning girls in saucy clobber has got to be the greatest vote-winner of all time!

RED SPA

Dear *Mayfair*,
I wouldn't say I'm 'metrosexual' or less macho than any other guy I know, but I do like to look after myself. That includes having the occasional facial and massage – hell, I've even tried having a manicure once! And it obviously works as I've never had any problem getting a girlfriend, or getting laid, and the ladies seem to appreciate that my skin is smooth and I have an all-over tan.

I don't do it very often, but if I've had a bit of a hard time at work, I'll sometimes treat myself to a few nights away to unwind and, if I spot somewhere that takes my fancy or that's on offer, I've been known to book somewhere on the spur of the moment. Which is how I found myself on a spa weekend at a grand old house in Harrogate on my own, a few months ago.

I'd just had an intense few weeks at work, finishing a project for a new client and I was more than a little shattered. Whereas most of my mates would get hammered to blow the cobwebs out, I decided I needed a few days to myself to recharge. It was a pretty sweet break – I found it on a last minute site, so it was 30% less than the full price – in a gorgeous part of the world and, as I have no qualms about holidaying on my own, I knew I'd get the peace and quiet I so desperately needed.

I arrived quite late on the Friday night and just had time for some supper on my own before necking a few cocktails at the bar and calling it a night. I had booked a few spa treatments for the following day – after all, if you're going to do it, you may as well do it in style – and didn't want to be too exhausted for them. There were a few women in the bar, but I had no interest in romance on this trip, I merely needed a bit of R&R.

Well, that was my thought process until the moment I saw Mishka the following morning, when she came to collect me from the spa reception for my massage. She was blonde, from Russia, and extremely cute. She was chatty – her English was pretty good and it was endearing when she got it slightly wrong. If she noticed me getting a hard-on during my rub-down – which I absolutely did, more than once – she seemed to ignore it. I guessed it was an occupational hazard and she was just being professional.

Flirting with her was fun while it lasted, but I had three other treatments booked, including a facial and a pedicure, so I forgot about her.

Well, that was, until the afternoon. I was sat in my robe, drinking some detox carrot blend, when she walked by and said hello, smiling her beautiful smile. It turned out she lived in the staff quarters, on site. I couldn't help myself and asked her if she fancied having dinner with me that evening when she finished work, but she turned me down, saying that the policy on staff socialising with guests was that it was

SHEER DELIGHT

Dear *Mayfair*,
Like most men, I suspect, I've always had a thing for the sight of a pretty girl in sheer hold-up stocking, and so I'd just like to drop you an email to say thanks for the pictures of Penny Lee in your latest issue. With her natural curves and a very simple lingerie combination she epitomized the understated magnificence of a beautiful woman who knows exactly how to emphasize all her God-given assets. No wonder she's admitting herself in the mirror in the picture at the bottom of page 76 – if I looked anything like that I'd probably spend a good bit of time in front of the mirror as well!
Lou, Aldershot.

Dear *Mayfair*,
I've loved your magazine ever since Volume 15 Number 1! And I've calculated that in another 33 issues Matt Berry will have been the editor of this publication for a full decade, having taken over on Volume 44 Number 12 back in 2009. And believe me, with time travelling this fast that isn't going to take too long to come around – I swear that planet Earth is spinning twice as fast as it used to!

Anyway, with the current Editor I haven't got one single complaint. I'm dying to slag him off, but I can't, the lucky old sod who's in charge of *Mayfair*! Every Editor who's controlled *Mayfair* has known that this publication is unique, and Matt Berry's upheld this tradition. There's nothing wrong with a change sometimes, but start messing around with *Mayfair* and it will come back to haunt you!

Graham, Cornwall.

Ah shucks - thanks Graham! I've come over all bashful, but really *Mayfair*'s success or otherwise has got nothing to do with me - it's all about the girls who've graced our pages over the years! Blimey, was it really 2009 when I took the reigns? You're right, the Earth must be spinning quicker than it used to... Ed.

strictly forbidden. I tried to persuade her, telling her that it would be our little secret, but she smiled sexily and shook her head. I admit I was a bit gutted – she really was stunning – but admitted defeat and told her that I would miss her company.

After eating alone in the dining room and having a few drinks at the bar, I turned in earlyish that night – massages and steamings were exhausting, it seemed! I was settling down on the bed in my boxers with a book, when I heard a knock at the door. I opened it, to find Mishka standing there in a spa robe, much to my astonishment! I must have hesitated a second too long, as she asked, "are you going to let me in before I am seen, then?" and pushed past me into the room. I admit being very glad I hadn't pulled anyone from the bar that evening! I shut the door behind her and, when I turned around, she had shrugged off the spa robe to reveal a sexy pink negligee and matching thong. I was surprised to see her, but oh so glad! Getting kicked out on my arse in disgrace for cavorting with a member of staff would have been worth it, after seeing her in that get-up!

I grinned like a fool and asked if she wanted a drink. She shook her head no, and instead sat on the edge of the bed. I wandered over to her and we snogged, her tongue snaking inside my mouth to explore. My hands immediately ran over her shapely figure, unsurprised that she felt as toned as she had looked through her uniform when she was massaging me. Her hands, however, went straight to my boxer shorts, tugging them down and grabbing hold of my cock, saying she'd been dying to touch "him" since that morning.

As she caressed my dick and cupped my balls, I shoved one hand inside her knickers, relishing the juices that flowed between her pussy lips. We stayed like that for a few minutes, both fondling the other as our breathing got heavier, until she finally pushed my hand away and bent over the edge of the bed, pulled her knickers to the side and said, "I would like you to fuck me now, please," in her sexy accent.

> SHE WAS SQUIRMING HER ARSE HARD AGAINST MY CROTCH, LIKE A BIG WARM PEACH.

I was not about to argue with that – well, who would? – so I moved in behind her and positioned my rock-hard cock at her pussy entrance, before sliding inside slowly, letting out a sigh as I did. She groaned, letting out a little scream as I slammed in down to my balls. When she got going, she couldn't keep quiet. When I fucked her fast, she gave little squeals, then when I slowed down to grind deep, it was a loud "Aaah...!"

When I ran my hand down over her belly and cupped her mound, she got excited, and the squeals became louder as I frigged her clit. She was squirming her arse hard against my crotch, like a big warm peach, twisting then bucking as she came. Her knuckles were white as she clung to the bed, but when I eased off she told me, "Harder." Six or seven good thrusts into her sweet, tight snatch and she was done.

I wasn't quite finished yet, so I told her: "He needs sucking." She twigged that I was taking the piss and gave my balls a squeeze, then moved between my thighs, licking my wet prick. She kept on sucking and releasing it, taking me in a little deeper each time until my helmet was grazing the back of her throat. Then she gave me the works.

I have no doubt that she'd have swallowed and I'd have loved it, but temptation got the better of me. I told her to shut her eyes while wanking me, and I aimed at her pretty face. I blew my load all over it, watched her smear and rub it in with my helmet. Then I took great delight in telling her it was called a facial. She laughed and said, "like in the spa!"

I had a fantastic weekend – but sadly no more Mishka, as Sunday was her day off and I left on the Monday morning. The treatments were great, but a warm clay body wrap didn't compare to her warm mouth wrapped tightly around my cock. But we both got ourselves a facial that Saturday, however, I enjoyed hers much more than mine!

ANNETTE PROFIT

Dear *Mayfair*,
As a student I am constantly surrounded by loads of young attractive women who are absolutely gagging for it. Don't get me wrong, I love to cater for their needs but last Sunday showed me the wonders of the older woman.

I was in a local pub with some of my housemates watching the footie and enjoying a few leisurely pints in preparation for the busy week I had ahead of me. While I was at the bar a middle-aged woman wearing a skirt that ended just above her knees and a red cardigan approached our table, and sat in the seat opposite mine.

When I returned to the table my mates were chatting away with the woman, who was called Annette. My full attention was gradually drawn to this stranger rather then the football as she told us absolutely everything and anything about herself. She asked me if I was single and I lied by telling her I was. She touched my knee under the table saying, "I can see mischief in your eyes," and sliding her hand further up my thigh added, "but that's not necessarily a bad thing, meet me outside in a few minutes".

> "SHE WANKED MY SHAFT UNTIL IT WAS FULLY ERECT AND BEGAN TO SLOBBER ALL OVER MY MEATY PRICK."

After finishing our drinks, we made our excuses and left within a few minutes of each other. We then met up outside the front of the pub and we made our way to her house, which was only a ten minute walk away.

I followed Annette up the garden path with the daddy of all hard-ons and when we went through the front door I was pleased to see Annette was just as eager as I was. She closed the door behind me pushing me up against it and grinding her pelvis into my crotch. "I wanted to fuck you in the pub," she whispered in my ear as her hand plunged down my jeans to my cock.

Stroking it with one hand and undoing my belt with the other she was soon on her knees licking the tip of my bell end with her tongue. She wanked my shaft until my cock was fully erect and began to slobber all over my meaty prick.

She started to take it deeper in her mouth, getting nearly all of it to the back of her throat. I was so turned on at the thought of a woman twice my age between my legs and I pushed her head down deeper onto my cock. By this time

Welcome to Mayfair's General Election 2017 Special in which, from here on, we'll be doing our utmost not to mention the election again. There's no getting away from it outside, after all, so let this mag be a safe haven from all that hot air. And if you're going to have a haven, can you think of anyone you'd rather have in it than the delicious Adele Taylor – especially when she's got herself all dolled-up in some classy black lingerie? Nope, thought not!

HOWE LOVELY!

Dear *Mayfair*,
Well, it was definitely worth the wait! After you promised us a spread of Carla Howe some months ago you finally lived up to your word. And even then there was more anticipation, as she didn't even reveal her wonderful boobs until the 5th page of the spread. Still, I'm sure you won't have any complaints over that, because once she finally did show herself off in all her glorious nakedness she looked absolutely flawless. I wonder what she's thinking about in that final centrespread picture, where's she's reclining and dreamily closing her eyes. If it's that she'd desperately love some horny guy to get between those shapely thighs of hers and feast on her sweet pussy, then may I be the first to volunteer my services?
Doug, Hollyhead.

I was desperate to see her body and to see how age had treated her physique.

I was extremely pleased when I removed her cardigan to reveal a fine pair of breasts with erect bullet-like nipples just begging to be sucked. I willingly obliged, taking one nipple between my lips and nibbling it softly as she moaned into my ear. "I'm soaking wet for you," she moaned, guiding my hand to her crotch.

I could feel her sopping cunt through her panties and I quickly pulled them down round her ankles to get better access to her moistness. I began to finger her, building up speed and depth, regularly removing my fingers to rub her nub. By now she was so wet and breathing heavily I knew she wasn't far from a climax so I dropped to my knees between her legs, my head level with her meaty lips.

I gently parted her flaps with two fingers and lapped her wetness, relishing her warm juices and sweet vaginal aroma. I buried my face deep into her pussy, probing my tongue further inside her, brushing against her soft vaginal wall.

I let my mouth move her erect clit and began to eat down onto it. She began shaking as she approached her orgasm, moaning loudly about what a dirty bastard I was.

I moved back up her body, kissing her stomach to her tits and then up her neck to kiss her lips and let her taste her own cunt. As we kissed she took my prick and slid it between her thighs, rubbing it against her soaking twat.

"Come next door," she said leading me through to the lounge. She positioned herself on the sofa spreading her legs wide in the air, I moved between her legs putting one over each of my shoulders. I pushed my hardness back inside her gaping pussy and took her by her thighs drilling deep inside her. She put her hands around my back and drew me to her asking me in a lusting voice to give her a hard fucking.

I GENTLY PARTED HER FLAPS WITH TWO FINGERS AND LAPPED HER WETNESS, RELISHING HER WARM JUICES AND AROMA

Spurred on by this I pumped her full of my manhood, ramming her mercilessly as she panted and whimpered.

"Ooohhh God!" she moaned, "Mmm, go on, do me harder, as hard as you can!"

I grabbed her tits and held her down on the sofa as I banged her. I could see she was shaking again and I felt I was very close to cumming. I could feel my balls about to burst but I continued to shaft her, making sure she came hard.

As she groaned with intense pleasure she pushed herself deep onto my shaft and in the heat of the moment my cock shot its first few jets of hot cum deep inside her. I then pulled out squirting the remainder of my load, a few streams landing across her face, the rest covering Annette's boobs and stomach.

She leaned over and took my cum covered cock in her mouth, cleaning it while stroking my just lightened balls. "You don't know how much I can thank you, I needed that so badly," she said.

I thought the pleasure had been all mine!

Hello Charlie! You were looking rather pleased with yourself when you arrived today – any particular reason?

"Oh, well if you really want to know I've just started going out with a new guy and, well... how can I say this? Er, he really knows how to treat a woman!"

What, so he helps out a bit with the drying up or something? Good for you, love!

"No, silly! He knows how to treat a woman in bed! He must have spent half an hour last night licking my pussy – I cam so many times! It's a wonder I'm not grinning like a Cheshire Cat!"

Well a pound to a penny says the lucky licker himself is!

ALPINE ADVENTURE!

Renault's new Alpine A110 is easily the sportiest thing to come out of France since Thierry Henry!

Founded by Jean Redele in the mid-50s, Alpine was originally a stand-alone company built on Redele's successful Renault 4CV racing car. These Alpine lightweight sports cars were built around Renault engines for nearly two decades being before purchased by Renault themselves in 1973. Renault continued using the Alpine name for their sports cars up until 1995, and without doubt their signature car over the twenty-odd years of re-developing the brand was the very light and nimble A110, which saw considerable success in rally racing until production ceased in 1977. Quite why it took them so long to re-open the production lines is anyone's guess but the all-new A110 is finally here, with only one promise: pure driving experience.

Combining the timeless Alpine principles of light weight, agility and performance, this mid-engined two-seater sports coupe couldn't be more true to the spirit of it's predecessor, the A110 Berlinette. The new aluminium platform and body of the A110 are bonded, riveted and welded to provide an exceptionally rigid yet light structure, resulting in the Alpine weighing in at a mere 1080kg kerb weight. It's compact size and optimal weight distribution (44% front/ 56% rear) along with a low centre of gravity produce near perfect agility – especially on the type of winding mountain road that made Alpine's reputation back in the 1960s and '70s. The mass is also concentrated around the centre of the car, with the fuel tank behind the front axle and the engine in front of the rear axle, enabling the driver to feel at one with the car.

The A110 is equipped with a new 1.8-litre 4-cylinder turbocharged engine developed by the Renault-Nissan Alliance. The Alpine and Renault Sport engineers have further customised the engine by working on the air intakes and fitting a juicier turbocharger, whilst enhancing the exhaust system and the engine tune, producing a mighty power output of 252bhp. Combined with the low kerb weight and the A110's excellent power-to-weight ratio of 233bhp:tonne the car will to accelerate from 0 to 62mph in only 4.5 seconds. The engine is mated to a Getrag 7-speed wet-clutch DCT gearbox, with gear ratios specifically developed for Alpine to ensure optimal performance at all times. Aided by intensive use of fluid dynamics simulation, the lightweight, single exit active sports exhaust system in the A110 has been developed for performance and sound quality. As has become standard in all sports cars the A110 has three driver modes (Normal, Sport, Track) in which the engine and gearbox settings, steering, ESC, exhaust note and driver display are adapted to suit the driving conditions or the driver's mood!

> "THE A110 IS HIGHLY MODERN YET IMMEDIATELY RECOGNISABLE AS AN ALPINE."

In search of a combination of sleek lines and excellent performance, Alpine's engineers turned to the world of race cars and super cars to optimize the aerodynamics of the A110. With a completely flat floor and functional diffuser under the rear bumper, the A110 combines low drag with significant downforce. This allows the A110 to reach an electronically limited 155mph top speed, while retaining a smooth 'Alpine' profile - without the need for a rear spoiler. Air inlets in the front bumper create a curtain along the front wheel wells, improving air-flow around the front wheels and hence reducing drag.

The A110 is highly modern yet immediately recognisable as an Alpine. It combines modern design language, materials and technologies with the efficiency of size, shape and profile that marked the original A110 Berlinette. At the front, four independent full LED daytime running lights and the bonnet's central 'spine' clearly show Alpine's DNA. The side profile shows the design's efficiency – bodywork wrapped tightly around the technical parts to minimise footprint and maximize performance.

At the rear, 'X' shaped LED tail lights with

"THE MASS IS CONCENTRATED AROUND THE CENTRE OF THE CAR, WITH THE FUEL TANK BEHIND THE FRONT AXLE AND THE ENGINE IN FRONT."

dynamic turn indicators give the car a highly modern look, while the sloping, wrap-around rear screen reminds us of Alpine's past models. Inside the A110 minimalist, lightweight design merges with a welcoming, comfortable driving position. Top quality materials – smooth natural-grain leather, structural aluminium, carbon fibre – ensure a rewarding driver and passenger experience. The light weight of the A110, combined with double wishbones front and rear, provide a rare combination – excellent handling and performance while at the same time offering great ride comfort and daily usability. Access and egress are designed to be easy, even in everyday use with the driver and passenger space accommodating all shapes and sizes.

In short, the A110 is a cracking sports car that is just as much at home in everyday driving as it is on the race track, and the best part of all is that it doesn't come with a super car price tag.

"Ah, I guess I have! Apart from anything else, I've been working a bit on things from the other side of the camera. I mean I love posing and stuff, but the technical and artistic side of photography really gets my creative juices flowing as well. Hey, maybe next time I should take some photos of you guys!"

A rather attractive woman goes up to the bar in a pub. She gestures alluringly to the barman who comes over immediately. When he arrives, she seductively signals that he should bring his face close to hers. When he does, she begins to gently caress his full and bushy beard.

"Are you the manager?" she asks, softly stroking his face with both hands.

"Actually, no," he replies.

"Can you get him for me?" she asks, running her hands beyond his beard, to his hair.

"I'm afraid I can't," breathes the barman – clearly aroused. "Is there anything I can do for you?"

"Yes there is. I need you to give him a message," she continues huskily, popping a couple of fingers into his mouth and allowing him to suck them gently. "Tell him that there is no toilet paper in the ladies' room."

"Where are we going Sammy? This doesn't feel like our normal walk..."

Two missionaries in Africa were apprehended by a tribe of very hostile cannibals who put them in a large pot of water, built a huge fire under it, and left them there to stew.

A few minutes later, one of the missionaries started to laugh uncontrollably.

The other missionary couldn't believe it! He said, "What's wrong with you? They're gonna eat us! What could possibly be funny at a time like this?"

The other missionary replied, "I just peed in the soup!"

A psychiatrist was conducting a group therapy session with four young mothers and their small children... "You all have obsessions," he observed.

To the first mother, Mary, he said, "You are obsessed with eating. You've even named your daughter Candy."

He turned to the second mum, Ann, "Your obsession is with money. Again, it manifests itself in your child's name, Penny."

He turned to the third mother, Joyce: "You're obsession is alcohol. This too manifests itself in your child's name, Brandy."

At this point, the fourth mother, Kathy, gets up, takes her little boy by the hand and whispers, "Come on, Dick, we're off."

A wealthy couple planned to go out for the evening. The woman of the house decided to give their butler, Simkins, the rest of the night off.

Q. What's the best thing about living in Switzerland?
A. I don't know, but the flag's a big plus.

As it turned out, however, the wife wasn't having a good time, so she came home early, alone.

As the woman walked into her house, she saw Simkins sitting by himself in the dining room. She called for him to follow her, and led him into the master bedroom. She looked at him and smiled. "Simkins," she said. "Take off my dress."

He did this carefully.

"Simkins," she continued. "I want you to take off my stockings and garter."

He silently obeyed her.

"Simkins," she then said. "Now remove my bra and knickers."

As he did this, the tension continued to mount. She then said, "Simkins, if I ever catch you wearing my clothes again, you're fired!"

FELICITY

Age: 22 **Vital Stats:** 32C-23-34 5'3"
Photographer: BBM

She might only be on the small side, but Felicity Hill's certainly got enough energy for somebody twice her size – so what's the secret?

"Oh, I don't know – probably dancing, I guess! Get me in the right mood and I could go all night, so I've probably got plenty of spare energy to use up on days when I don't get to do any! I've had a few great holidays when I've spent almost the entire two weeks up all night and then sleeping it off all day – wicked!"

Well whatever floats your boat, although if we went on holiday we'd want to spend the nights rather more horizontally!

Scene from MAYFAIR

Not quite the best film of last year, somehow, but definitely worth a viewing or two for all that - as are our other selections from this month's toppermost DVD releases.

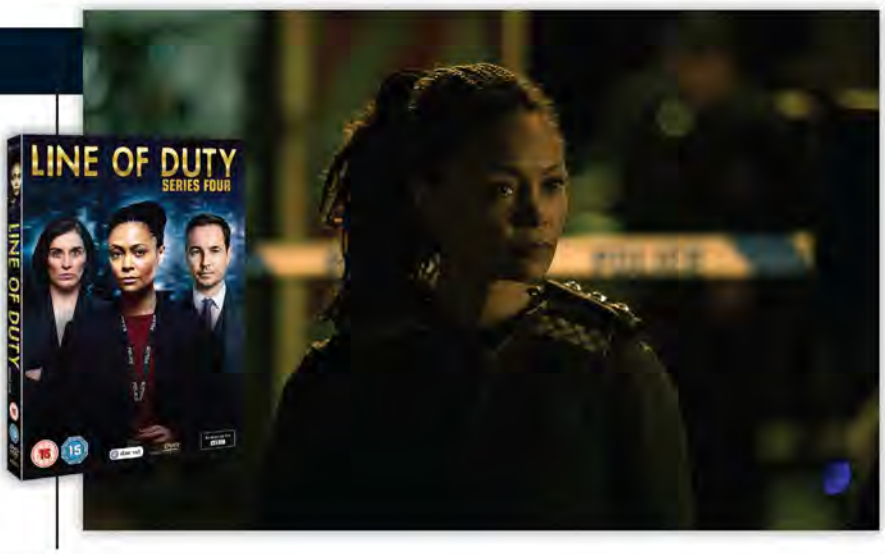
LA LA LAND

Famous for holding the title of Best Movie at the Oscars this year for about 30 seconds until they realised they'd opened the wrong envelope (d'oh!) and gave the honour to Moonlight instead – on account of having realised how racist The Academys Awards had been over its 80-odd year history (why in 1954 the Award for Best Black Actress in a supporting role went to Alan Ladd!) – La La Land is finally getting a home cinema release so you can see what all the fuss was about if you failed to catch it on the big screen. Generally blank-faced Ryan Gosling is surprisingly charismatic co-starring alongside Emma Stone as a couple of wannabee Hollywood types who are struggling to make it. What do you know, though – they find love in the face of rejection and disappointment and, more to the point, engage in some spirited song and dance routines. Sounds like it should have been made in the 30s, doesn't it? Nevertheless, you'll find it hard to resist.

BORN FREE

1966 was, for the English at least, a very good year. Swinging London was at the top of its game, we won the World Cup and also (I bet you can see this coming, can't you?) it saw the release of one of the best loved wildlife-related flicks of all time. Based on the real life exploits of George and Joy Adamson, a pair of game wardens who reared a lion cub (the famous Elsa) and released her into the wild so she could roam with her kind across the savannah, the film stars another married couple in Bill Travers and Virginia McKenna and tugs at the heart strings right from the off. With breathtaking cinematography capturing the beauty of the landscape and Matt Munro's titular power ballad (written by John Barry, no less) to the fore, it's hard to believe this has never been properly remastered for blu-ray before now, but here it is at last, complete with plenty of bonus material to boot.

LINE OF DUTY 4



Well Line of Duty kicked off strongly when it started a few years back, but unless my standards have fallen significantly (and it does happen, after a few jars), it's been getting stronger and stronger ever since. Writer and creator Jed Mercurio might have one of the best names in the business, but he's crafted a show to match. As per, it centres around the activities of AC-12, the police department that's tasked with ferreting out the rotten apples in the force, with Martin Compston (who, after four series, I've finally managed to disentangle in my mind from Barry Evans of *Mind Your Language* fame), Vicky McClure and Adrian Dunbar this time on the trail of The wonderful Thandie Newton's dodgy DCI Huntley. Compelling as ever, this is ensemble acting of the highest order.

KATIE

Age: 26 **Vital Stats:** 32H-22-36 5'3"
Photographer: DDF

They say an apple a day keeps the doctor away, but if my doctor looked anything like Katie Thornton here I'd be more than happy to ditch the 5-a-day fruit and veg guidelines, in the hope that I might need to call her out for house call or two now and again!

"Ha, well you can't go blaming me for any crappy diet you might feed yourself – I'm all for a healthy mind and a healthy body, me!"

Well, there's no doubt about it – your body looks like it's in fine fettle. I'm not entirely sure all the things it puts in my mind are especially wholesome, though!

MAYFAIR Movies

If you're fond of criminal capers... well, let's be honest, you're better off watching a proper film. But if you like watching people have sex as well, then step right this way!

Wicked Pictures

THE BLONDE DAHLIA

★★★★☆

CAST: Asa Akira, Monique Alexander, Alexa Grace, Edyn Blair, Missy Martinez.

As luck would have it, most of the world's better porno flicks hail from the Los Angeles region, which means that a) a lot of the stars were probably hoping to get into mainstream movies originally and b) they're shooting in the perfect city if they fancy doing a noiry cop spoof. And, well, that's what they're up to here, with the ever-watchable Asa Akira playing a homicide detective who, along with her partner (coincidentally played by porn stud Michael Vegas) is on the hunt for a serial killer. Sounds bit grim, doesn't it? Thankfully, though, instead of being some sort of *Messiah*-style misery-fest, it's largely played for laughs, with Asa a truly lamentable cop whose real talents lie in the sucking/fucking department rather than the Los Angeles Police one.

The knobbing's all very solid – first of all Vegas has to pump a stripper (Alexa) for some info – you know, pump her – and that works out pretty well for them both, but it's the second scene, a threesome that sees Asa team up with Missy and stud Damon, that's probably the standout. All in all a pretty funny and extremely horny offering from the folks at Wicked.

★★★★☆

Harmony Films

APPETITE FOR CORRUPTION

CAST: Alessandra Jane, Kira Queen, Arwen Gold, Sasha Rose.

This one gets off to an arty start, with lipstick lesbians Kira and Sasha kicking things off in black and white... and red. Yep, all the colours have been extracted bar one and it looks very striking indeed as Kira's ruby lips clamp round her pals virtually grey nips. Colour returns in time to see the pair make the most of a whopping double-ender in a classy opening. Things get a little muckier after that, with Kira returning and raising the stakes by taking on two cocks at once. She certainly looks a picture in her bespoke lingerie, though, and while the lads double dick her there's nothing too eye-popping to scare the ladies. In fact I'd go so far to say this is probably aimed at couples, given the swish surroundings and the fact that the studs seem to wear suits a lot (always a give away, that!). Then it's Sasha again (bit of a small cast, tbh) for a cracking staircase shafting that features some great reverse cowgirl before we finally get to see Alessandra and then Arwen, who treats her stud to a spot of anal to round things off nicely. **Available from your local sex shop.**

Digital Playground

BLOWN AWAY

CAST: Jasmine Jae, Roxi Keogh, Rina Ellis Mila Milan, Lou Lou, Misha Cross, Jasmine Webb.

Poor Jasmine Jae – she'd a jobbing art thief who, mid-job, gets stitched up by Danny Dyer, all because of some Picasso deal that went wrong. Honestly, we've all bought a dodgy car in our time, haven't we? Anyway, Jasmine promptly finds herself in the clink, but she doesn't let that cramp her style – she's soon roped into a big diamond job and... oh, hang on a sec, what the hell am I going on about the plot for?! Prison shenanigans proper start with a bunk up between on Lou Lou and guard Roxi, aided and abetted by some sort of vibrating cattle prod that soon gets prodded up Lou Lou.

★★★★☆

And with that the girls are free – Jasmine and her crack band can set about their heist, but not before she's proven her commitment to the cause with a solid dicking. Mind you, crop-haired Austrian Mila goes one better with a DP that shows real attitude – not to mention a penchant for two helpings of cock. Misha Cross is certainly no slouch either, and she proves it once again in a frenzied scene with Luke Hardy, but the real clincher comes at the end, in which the two Jasmines and Danny Dyer really go to town on each other, complete with some fantastic filthy talk.

JASMINE

Age: 34 **Vital Stats:** 32F-27-37 5'8"
Photographer: BBM

Apparently Jasmine likes to while away the odd hour with a pole solely for her own amusement...

"Yeah, I've got a little gym in a room in the garden, and I love going out there and mucking about on the pole. Some people like running or swimming, but I just like working on my core strength with the pole. And besides, it always gets me super horny, so whoever I hook up with that night certainly reaps the benefits!"

Well lucky old them, eh? And do you head back out to the pole with them?

"Not when I've got a better pole to climb on I don't!"

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I'm not usually the type to have one night stands but a recent encounter saw all my standards going out the window in favour of some of the dirtiest sex I've ever had.

I was out with a group of workmates for a colleague's birthday. We started the night off by going ten pin bowling, which sounds quite dull but let me tell you, it's the ideal chance to flirt. Basically we were split into teams and there was this guy called Martin on the other side who was really competitive. I started to wind him up when our team was scoring more points and this set the tone for an evening of outrageous flirting. After bowling we all moved on to a club and it was here that the bond between Martin and I became physical.

"I really want to fuck you," he finally admitted, obviously fuelled by a bit of drink.

Normally I'd be turned off by such an open admission but I was already having improper thoughts about this guy, and having had a bit to drink myself, I was feeling horny as hell.

"Let's go then," I said, clasping his hand and pulling him towards the exit of the club. We didn't even say goodbye to the rest of our mates as one thing clouded our minds – sex!

I had intentions of getting a taxi back to mine but it seemed Martin's needs were far more pressing. As we walked to the taxi rank he pulled me into the stairwell of a multi-storey car park. Not the most glamorous of settings but it provided that little bit of privacy we needed.

We started to kiss and Martin's hands were off like a shot – searching beneath my top, squeezing my pert breasts and then sliding up my inner thigh, under my skirt and into my knickers.

I shuddered as his fingers ran across my sodden pussy lips with his mouth showering my neck and partially revealed shoulders. Bending my legs slightly I allowed him to gain better access to pleasure my clit.

Just as I was getting really turned-on by his fingering, Martin dropped to his knees and pushed my skirt up around my waist so that he could bury his head between my legs. I felt the tip of his tongue brush over my lips and with his fingers he parted them so he could probe deeper.

> I FELT MARTIN'S TIP PRESS AGAINST MY WET FOLDS AND WITH ONE FIRM SHOVE HE SLIPPED INSIDE ME.

"Ohhhh, don't stop," I moaned with great pleasure, running my fingers through his hair in a frenzied manner.

It didn't take long before Martin had tongued me to my first climax. My wails echoed around the cold stairwell but as far as I was concerned I was in paradise. Martin didn't let up when my first wave of excitement subsided – he kept licking with even more vigour.

I was treated to the delights of a few more orgasms before I decided it was only fair to return the favour. I told Martin to stand up and this time I dropped to my knees while he fished his cock out of his trousers.

Looking him straight in the eyes I began to run my tongue over his bulbous head, then down the shaft and back up again before taking the first few inches in my mouth. He gasped as I slid my lips further down his cock until my mouth couldn't hold anymore. I started to rock my head back and forth, sucking him off with the same enthusiasm he had shown to my pussy.

"That feels great," he muttered after a while, "but you know I still want to fuck you. Let me stick my cock inside your pussy."

I released his prick from my mouth, turned around and leant on the steps while raising my skirt and offering him my pussy from behind. I felt Martin's tip press against my wet folds and with one firm shove he slipped his prick deep inside me.

Name: KATE
Age: 25
From: LUTON

As I pushed myself against him, Martin began to pump my pussy for all it was worth. My body jolted with each thrust, while he grunted in time with the firm fuck strokes.

Having been so worked up by his oral attention I didn't find it very difficult to come again and for one more time the stairwell was filled with my groans of pleasure.

Martin's pumping got so hard I knew he was about to come, and since my pussy

hole was now so tender I demanded he shot his load over my face. He pulled out, I turned round and finished him off by hand. Strands of come blew out of the end of his dick and splattered my face.

I opened my mouth to catch as much as I could but he must have been saving it up for ages because there was loads and it went everywhere. My face, my hair and my top were covered in his cock juice and I felt like a used tissue.

"Now we can go back to yours," he grinned.

And that's what we did!

"HE BEGAN TO PUMP FOR ALL IT WAS WORTH. MY BODY JOLTED WITH EACH THRUST, WHILE HE GRUNTED IN TIME WITH THE STROKES."

I've been with my husband Andy for 6 years now and we're both pretty open-minded. Despite never having been into partner-swapping myself, Andy did have a few 'experimental experiences' with his ex-girlfriend years ago, though never actually tried full-on swinging. We'd spoken about it in the bedroom and he's always been straight up about his fantasies and made it very clear he'd be up for trying a bit out with me, but I had never given him the green light – until my birthday this year, that is.

I had mentioned that, as it was my 40th, I'd be up for trying something new, but hadn't gone into anything specific – I figured he'd do that all by himself! He asked me what I'd like to do and I had left it at, "surprise me…", giving him free reign to organise something exciting for us. Andy did give me a few hints in the days leading up to my birthday that this we weren't just going out to dinner, like telling me to dress in sexy undies and making sure I was clean shaven!

We arrived at a big house early in the evening and I could tell Andy was excited from the way he kept pawing at me and asking if I was looking forward to it. I told him I was – though I didn't mention the butterflies that had plagued me all afternoon! After being met at the door and handing our coats to a pretty girl, we were handed a glass of bubbly and ushered through to a lounge

area, where there were already a number of guests waiting. Looking around the room at all the different people, I really couldn't tell you what I expected.

We got chatting to a few couples and I noticed that there was a lot of flirting going on, the atmosphere charged. Then, after about half an hour, the hostess came into the room carrying a big glass bowl and a grin on her face. I wasn't sure I'd be able to keep a straight face if they started putting their keys in, like in a 1970s wife-swap, but it was even madder than that! One by one, the women around me began taking off their knickers and putting them in the bowl, with the blokes making a big thing of not looking. It was bizarre! I was a little embarrassed, but followed suit anyway, slipping my thong off and adding it to the mounting pile in the bowl.

The hostess then announced that it was time, and the bowl was passed around, with all the men in the room picking a pair out – including Andy. I felt my butterflies get worse and I have to admit I had second thoughts for a moment, especially when my husband chose a pair of knickers and winked at me before heading out of the room with a curvy brunette. I took a deep breath, knowing I was now on my own.

I watched the bowl carefully as a guy plucked my g-string from the pile and looked around for the owner. I smiled at him, relieved that he was quite cute – in his late twenties and tall, with longish brown hair. I had to crane up to kiss him and his hands went straight to my arse – now knickerless, obviously!

He introduced himself as Sam and gently took my hand, leading me upstairs to one of the bedrooms. I felt a bit awkward, but he took charge and undressed me, kissing me as he went along, playing with my tits and sucking on my nipples until my cunt felt really heavy with juices. Then he lapped a trail down over my belly and mound, before flicking the tip of his tongue into the very top of my slit, waiting until I was breathing heavily before laying me back on the bed and stripping off himself.

He had a lovely big cock on him, and he knew it, not quite posing but making sure I got a good look! He really knew how to eat pussy, too – spreading my lips aside with his tongue before licking and fingering me

to a frenzy. But he knew I'd be desperate to take his cock – every time I got a glimpse of it jutting up, I'd feel a pulse deep inside me.

It didn't take me long to climax. The whole situation was ridiculously horny and the feeling of being fucked by a stranger was just too good. I thought he'd keep going until he came, too, but when my orgasm subsided, he jumped off the bed and grabbed a mirror off the wall, propping it up against the headboard, so we could watch ourselves.

I got on all fours, arse up and back, and he wanked himself with one hand while fingering me with the other. I was buzzing as he got in position, and let out a moan as, finally, he stuck his cock inside my now-dripping hole. He thrust deep into me, right down to his balls, and, squeezing a boob hard in each hand, he kept catching my eye in the mirror, which was so fucking hot it was unbelievable!

As he shagged me like that, slapping into me rhythmically, he slipped his thumb in my mouth for me to suck, pulling my lip down and hooking my cheek. I looked liked a right slut and I loved it! I treated it like it was a cock, gobbling and teasing him with my tongue. That had him thrusting slightly harder, but then he pulled his thumb out and slipped it up my arsehole. I was writhing and twisting back against him and he fucked me a bit faster, reaching his free hand onto my clit and I started coming again, my pussy clamping tight around him just before he shot his load up me, too.

He got up and opened the door slightly – which, he said, was a signal to anyone passing by that we were up for them watching or joining in. And it wasn't long before we had a taker!

I was on my back, legs apart and playing with my spunky snatch when a cute Asian girl, Shima, walked in on her own. She said that her partner was having a break and did we mind her joining us. Instead of replying, Sam simply asked her did she fancy a mouthful of his come. She said yes.

"Help yourself, then," he said, pointing to my pussy. Soon, she was slurping away, face down and arse up, giving Sam a good view of her crack and slit in the mirror.

> HE LAPPED DOWN OVER MY BELLY AND MOUND BEFORE FLICKING HIS TONGUE INTO THE TOP OF MY SLIT...

He was kneeling at my head, playing with my tits, but then he shuffled forward, so he could reach over the length of Shima's back to finger her twat. He was straddling my head, and his prick was hardening over my face, so I mouthed my way up, root to tip, tasting my own juices, before sucking his helmet into my mouth. I took it slowly, wanting to prolong the fun as this gorgeous girl ate my pussy – but he seemed to be fingering her more urgently, and she was doing me harder, too.

Then, she moaned that she needed Sam to fuck her. Sam asked if I minded and I told him to go right ahead, so he moved in behind her and started pummelling away at her snatch, while I lay there watching. I was quite happy to play with myself lazily and have a break. I'd never been into voyeurism and I was enjoying it!

Andy turned up about ten minutes later, sticking his head around the door and asking if I was okay. I admit I was a bit surprised when he said we were going home – we could have stayed all night but he told me he wanted to spend a bit of my birthday night with just me.

Name: **JOANNA**
Age: **40**
From: **BROMLEY**

I was horny again by the time we got home, even after coming so many times already. Andy didn't waste any time, either, and we didn't get beyond the hallway before he was fucking me against the wall!

"HIS PRICK WAS HARDENING OVER MY FACE, SO I MOUTHED MY WAY UP, ROOT TO TIP, TASTING MY OWN JUICES."

We haven't repeated the experience yet, but we definitely will. And I won't be waiting for my 41st birthday, either! I'm ready whenever Andy is!

CLAIRE

Claire isn't scared of letting men know what she's after, or giving them what they're after so she can have it.

"If I wear a short skirt when I'm out with a man I find there isn't anything he won't do for me, he just can't take his eyes off my black lingerie. I like to show him little flashes of what he can hope for if he treats me nice," giggles Claire. "After that it's great to get down to it. He'll be so excited I have a whole night of fun after a great evening."

MAYFAIR Classic

These piccies of Claire date back to 1996, which doesn't seem like that long ago until you realise that John Major was still in Downing Street at the time and Britpop and Blair were still around the corner! Not that Claire seemed too bothered about the momentous changes to come, with wearing lingerie and giving some flashes of her pussy much higher on her agenda – and quite rightly so, really!

MAYFAIR

Vol.52 No.7

On Sale June 28th

By the time you get your hands on next issue all that General Election news will wrapped around fish and chips (if it's lucky), but there are some things worth buying that are worth hanging on to – and if it's a copy of *Mayfair* which features such exemplars of loveliness as Ree Petra and Charlotte Paris, well then it's definitely a keeper! Meanwhile, I wonder if my sneaky £50 each way bet on a UKIP/Labour coalition will have proven to be a wise investment... the odds were so enticing it seemed silly not to, frankly!
